## CONDITIONS DE GARANTIE

Pendant deux ans à partir de la date d'achat, I.F.H.S. garantit que les nouvelles sphères de suspension ne présentent aucun défaut provoqué par des erreurs de conception, de fabrication et/ou de matériau.

Cette garantie ne couvre pas l'usure en raison d'une utilisation normale (comme la diminution progressive de la pression initiale), ni les défauts provoqués par un placement erroné ou un accident. La garantie offerte par I.F.H.S. n'implique pas davantage que le remplacement de la sphère défectueuse par une nouvelle.

## GARANTIE VOORWAARDEN

I.F.H.S. garandeert dat de nieuwe veerbollen vrij zijn van defecten veroorzaakt door fabrieks-, ontwerp- en/of materiaalfouten voor een periode van 2 jaren vanaf de aankoopdatum.

Deze garantie dekt niet de slijtage door normaal gebruik (zoals de geleidelijke afname van de voorgeblazen druk), noch defecten veroorzaakt door een foutieve inbouw of een ongeval. De door I.F.H.S. geboden waarborg reikt niet verder dan de vervanging van de defecte veerbol door een nieuwe veerbol.

## WARRANTY CONDITIONS

I.F.H.S. guarantees that the new spheres are free of defects caused by manufacturing, design and/or material faults for a period of 2 years from the purchase date.

This warranty does not cover wear due to normal use (such as the gradual decrease in the pre-charge pressure), nor defects caused by incorrect assembly or an accident.

The warranty provided by I.F.H.S. only extends to the replacement of the defective sphere with a new sphere.

## GARANTIEBEDINGUNGEN

I.F.H.S. garandeert für einen Zeitraum von 2 Jahren ab dem Kaufdatum, dass die neuen Federkugeln keine durch Fabriks-, Entwurfs- und/oder Materialfehler verursachte Defekte aufweisen.

Diese Garantie deckt weder die Abnutzung durch normalen Gebrauch (wie etwa die allmähliche Abnahme des vorgeblasenen Drucks) noch durch einen fehlerhaften Einbau oder einen Unfall verursachte Defekte.

Die von I.F.H.S. angebotene Garantie geht nicht über den Ersatz der defekten Federkugel durch eine neue Federkugel hinaus.

## CONDIZIONI DI GARANZIA

I.F.H.S. garantisce le nuove sfere di sospensione per un periodo di due anni dalla data d'acquisto contro difetti di fabbricazione, di progetto e/o difetti di materiale.

Questa garanzia non copre l'usura causata dall'uso normale (come la diminuzione graduale della pressione iniziale), né difetti causati dal montaggio sbagliato o da incidenti.

La garanzia offerta dall'I.F.H.S. copre solamente la sostituzione della sfera di sospensione difettosa da una nuova sfera di sospensione.

## CONDICIONES DE GARANTIA

I.F.H.S. garantiza que las nuevas esferas de suspensión son libres de defectos causados por errores de fabricación, diseño y/o material, durante un período de 2 años a partir de la fecha de compra.

Esta garantía no cubre el desgaste causado por uso normal (como por ejemplo la reducción paulatina de la presión que ha sido presoplada), ni los defectos producidos por un montaje incorrecto o un accidente. La garantía ofrecida por I.F.H.S. no sobrepasa la sustitución de la esfera de suspensión defectuosa por una nueva.
