ESH SCHOLARSHIP FUND

STIFTUNG LICHTERZELLEN SCHOLARSHIPS are available for the:

**Translational Research Conference**
**BONE MARROW FAILURE DISORDERS:**
from the cell to the cure of the disease

**November 13-15, 2020**
Paris, France

**Chairs:** Tim Brümmendorf, Inderjeet Dokal, Carlo Dufour, Régis Peffault de Latour, Marc H.G.P Raaijmakers, Neal Young

**INFORMATION AND APPLICATION FORM**

The ESH Scholarship Fund is a multi-sponsored project designed to support access to new biological and clinical data in the context of lifelong learning in Haematology. ESH independently ensures all scientific peer review and selection procedures. ESH is also independently responsible for all administrative aspects of the Fund.

**Deadline for applications: September 3rd, 2020**

This Call for Applications is made thanks to a funding support from
